Lunch orders

Dear Parents,

From Monday 6th September our new catering service will begin. As part of this change we will be introducing a Meal Pre-order system. The introduction of this system has to be completed in 2 phases.

Phase one: (6th September – 10th September)

Pupils and staff will be able to access the meal pre-order system in the classroom. Parents do not need to pre order meals during this Phase. We ask that parents look at the menu for this week and discuss the options with their child. Staff will support children to do their daily order initially for first week.

Parents must ensure that they have set up a Free Parent Account and view the menus.

Phase two: (11th September onwards)

Parents will need to pre order meals from 11th September onwards.

For more information please use Relish website <https://relishschoolfood.co.uk/parents>.

If you still have some concerns, please call our admin team or School Business Manager for support on 0121 552 1885.

We will send a reminder when you need to begin ordering food for your child.

Your Sincerely,

Mrs D. Walker

Headteacher
