Monday, 25 October 2021

Dear Parents,

October is Black History Month in the UK and we at Moat Farm Infant School are marking Black History Month by recognising and valuing the inspirational individuals and events that have shaped the black generation in the United Kingdom.

The aims of Black History Month are to:

- Promote knowledge of black history, culture and heritage
- Share information on positive black contributions to British society

This month we will have been learning about significant black people who have made a positive impact to society, listening to African music, learning African dance and even having a visit from author Rachel Sayers.

For us, Black History does not stop in October. We are striving to have a balance of all races throughout our curriculum all year round, so all of our children are represented.

Yours sincerely,

Mrs Baker
History Coordinator
