Dear Parents,

SCHOOL FUND

The Governors and staff at Moat Farm Infant and Nursery School are proud of the welcoming and stimulating learning environment we provide for our children, and of the fun activities they enjoy which reinforce their learning.

The School Fund is vital in helping to provide services and equipment not supplied by central government. School budgets are very limited and decreasing! In the past the School Fund has been used to purchase additional musical instruments, ingredients, games equipment. Without your help we cannot do these additional things.

As a school we have always collected School Fund and believe that by collecting £30 per year per family as a voluntary donation to School Fund we can make a real difference to our school.

We know that this may strain the finances of parents, but in an effort to make it more manageable, we will offer each family the option of paying in the following ways

- Pay £1 EVERY week
- Pay 1/3 (£10) at the beginning of each term (Oct/Jan/April)
- Pay a lump sum of £30 in October

This donation would be voluntary and anyone that is unable to make this payment is welcome to make a smaller contribution. Anyone is free to donate a larger contribution if their circumstances and inclination allows, of course!

We know that this is a big request upon our parents but it will make a big difference to our school environment. Thank you for your support and please do not hesitate to contact staff if you have any further ideas about how we can develop the School Fund further.

ALL PAYMENTS IN SCHOOL MUST BE MADE VIA YOUR PARENTPAY ACCOUNT.

Yours sincerely,

Mrs D. Walker
Headteacher
