## Online Safety Warning – Poppy’s Playtime advice for parents

Dear Parents,

It has been brought to our attention that there is a new online horror game which some children are talking about in school. It is called Poppy’s playtime and is based on a toy which chases you around a toy factory. There is not an official rating for the game however it is causing some of our older children to have nightmares.

The toy in this game is called Huggy Wuggy and he looks like this:

This game is not suitable for our age children to play. Some of our children have also told us that they have watched it on YouTube. Please could we ask you to reiterate these messages at home and to ensure that you have set the appropriate controls on your child’s device so that inappropriate material will not ‘pop up’.

For more information about this game and how to support your child with online safety please follow this link: [Poppy Playtime: Online Safety Review - Safer Schools \(oursaferschools.co.uk\)](https://oursaferschools.co.uk)

If you have any concerns or need further advice, please speak to the class teacher.

Yours sincerely,

Mrs D. Walker Headteacher
