Dear Families,

As you are already aware, reading is one of the school's priorities. We will be introducing different ways of acquiring new reading resources over the school year. The first initiative is outlined below.

This year, we would like to introduce a new initiative called ***Birthday Books***.

Rather than bringing in sweets or treats to celebrate your child's birthday, you may choose to purchase a new book for the class to enjoy over and over again. The gift that keeps giving!

The idea is that you buy a book, wrap it up and your child opens it in front of the class as a present to the class. We will then put a nameplate on the inside cover explaining who has donated the book to the school.

If you are unsure which book to buy, please ask your class teacher for the updated booklist.

Thank you for your ongoing support.

Yours sincerely,

Mrs Karen Spencer
