Dear Families,

PARENT CONSULTATIONS

At Moat Farm Infant School we are always very keen to involve parents in their child's education and we greatly value their input. This autumn all parents will have the opportunity to discuss how their child has settled into nursery and to discuss how their child might be supported at home. The progress of your child can then be reviewed during our spring term consultations.

Your child's parent consultations will take place on **Thursday 13th October 2022**.

This year you can have your parent consultation face to face in school or virtually via Teams. Please make sure you select below your preference.

Yours sincerely,

Mrs D. Walker
Headteacher
