## **Governors Statutory Responsibilities and Functions**

In all types of schools, governing boards should have a strong focus on three core strategic functions:

- a) **Ensuring clarity of vision, ethos and strategic direction,**
- b) **Holding the executive leaders to account for the educational performance of the organisation and its pupils, the performance management of staff; and**
- c) **Overseeing the financial performance of the organisation and making sure its money is well spent.** (Extract from Governance Handbook March 2019)

## **Governance Handbook/Competency Framework for Governance**

Please refer to the Governance Handbook and Competency Framework for Governance published by the Department for Education. The latest versions are available online below:

[Governance Handbook March 2019](#)

[Competency Framework for Governance January 2017](#)

## **Review of terms of reference, committees and delegation**

The governing board must review the terms of reference and governor delegations on an annual basis.

## **Terms of Reference**

In maintained schools the quorum for a meeting of the full governing board and for any vote on any matter at such meeting, is one half (rounded up to a whole number) of the membership of the governing board at the time of the meeting **not including any vacant positions**. In the event of equal votes, the chair has the casting vote.

## **Virtual meeting arrangements**

The Governing Board has approved the use of “virtual attendance” at meetings (approved at FGB meeting on 15 September 2022).

For full details, please refer to the Virtual Governance Policy.

## **Committees**

The legal minimum quorum for committee meetings is three voting governors. The quorum for committees will not include associate members - despite any voting rights they may have been given - as they aren't considered to be members of the governing board.

The appointed clerk will undertake the clerking of the committees.

The committee minutes shall be included as an agenda item for consideration/information at the next meeting of the full governing board where appropriate.

All decisions made by committees with delegated powers should be reported to the next full meeting of the governing board. If the minutes are not finalised a brief statement of the conclusions reached should be given.

The chair of the committee will be appointed at the first full governing board/committee meeting of the academic year. Governors who are employed by the school are not eligible to be appointed as chair.

Committees will have delegated powers to approve policies as relevant to that committee.

Wherever possible Governors will receive appropriate reports well in advance of meetings. In order to get the most out of the meetings there will be an expectation that Governors will have familiarised themselves with the reports before the meeting. Wherever possible reports will include a summary of decisions required from Governors. Governors will be able to raise questions regarding a report or summary but Officers will not be expected to go through reports 'word for word'. This will allow for time in the meeting to thoroughly consider any tabled reports not available prior to the meeting.

## **Attendance**

All Governors will be expected to attend scheduled meetings except the meeting to consider staff performance. Governors will need to be selected to consider staff performance therefore allowing none selected governors to be available for an Appeals Committee, should it be required.

## **Staff Performance Review Committee**

Governors will be appointed to sit on this meeting according to the Terms of Reference within this booklet

If the following Committee meetings are required Governors will be appointed according to the Terms of Reference within this booklet:

- Pupil Discipline and Complaints Committee
- Staffing Committee: Grievance/Disciplinary/Dismissal/Redundancy and Redeployment/Capability/Management of Absence/Dignity at Work
- Appeals Committee
- Head Teacher Appraisal Committee

- The appointment or removal of governors,
- The suspension of governors,
- The delegation of functions and establishment of committees,
- Change of school name or status,
- Salary range for the head teacher/deputy.

## **Associate Members**

In maintained schools the governing board can appoint associate members to serve on one or more committees of the board. Associate members can attend full board meetings but may be excluded from any part of a meeting where the business being considered concerns a member of school staff or an individual pupil. They can be appointed for a period of between one and four years and can be re-appointed at the end of their term. Associate members are not governors and they are not recorded in the instrument of government (Extracted from Governance Handbook March 2019 - Page 53, paragraph 45).

*NB: Associate members are not governors and therefore do not have a vote in full governing board decisions but may be given a vote on decisions made by committees to which they are appointed.*

## **Individual delegations**

The task of monitoring specific areas usually assigned to committees is delegated to individuals or pairs of governors instead. It is the responsibility of these governors to have a detailed understanding of their specific area to feedback to the governing board.

Where appropriate, the governing board may utilise governor working groups. In these instances, the outcomes and recommendations of such groups will be reported back to the full governing board for noting or approval and recorded in the minutes.

In order to fulfil certain functions, there are occasions on which committees of a set number of governors are required. For these functions, committee terms of reference are outlined and will be utilised as and when required.
