Wednesday 4th January 2023

Dear Families,

This is a reminder (as mentioned in the September Newsletter) that we will be holding a **Maths workshop** for the parents of **Hedgehog and Squirrel Class** children on **Tuesday 17th January 2023**. The meeting will take place in the **school hall at 2:30** and last for about half an hour. This workshop is suitable for adults only.

This meeting will be an opportunity for you to find out about how your child is being taught mathematics at school and also what support you can give at home to help your child reach their full potential.

Parental partnership in all aspects of your child's development is valued greatly at Moat Farm Infant School.

Yours sincerely

Mrs. D. Walker

Head Teacher
