Mole and Owl

Make an Easter Basket Parent Workshop

Dear Families,

As part of our D&T topic, we are making Easter baskets. The children will have an opportunity to design their basket and then experiment with joining the handles in preparation for making them. We would like to invite Mole and Owl class parents into school to help your child to create their basket. This will take place on Monday 27th March at 2pm in the school hall.

Please wait outside the school hall door on the main playground.

If you could provide donations of junk modelling materials such as paper, card, cardboard, plastic containers such as grape boxes, then please bring these with you on the day. We will have resources such as glue, staplers, paper clips and scissors available for you to use.

If you are able to attend please complete the form below and return to your child's class teacher.

Thank you.
