E-safety Assembly

Dear families,

On **Monday 6th March 2023** we are inviting Year Two parents into school at **2.30pm** for an E-safety assembly. This will take place in the school hall.

Online safety is an important issue which as a school we are committed to teaching our pupils about. In school your child will be learning all about how to stay safe online through *Safer Internet Day 2023*. The theme this year is 'Want to talk about it?' The assembly is a great opportunity for you to find out more about what E-safety is and how you can support your child at home. There will also be time at the end of the session to answer any questions that you may have.

Yours sincerely,
Miss Whitehurst
Computing Subject Leader

I will/ will not be able to attend the E-Safety assembly on **Monday 6th March 2023 at 2.30pm**. Please return your reply slip to your child's class teach by Tuesday 14th February 2023.
