World Autism Acceptance Week

27 March – 2 April 2023

This year we will be celebrating World Autism Acceptance Week in school on 27th March to 31st March.

During the week children in school will watch videos and take part in learning which will look at our differences and similarities, and how important it is that we are kind to each other.

This is a great opportunity for children in our school to learn about Autism and better understand their classmates.

This year's theme is 'colour' so we would like your child to come to school wearing something colourful on Friday 31st March to promote Autism Awareness.

We are looking forward to helping children understand the needs of all children in our school.

Miss Skidmore
Assistant Head Teacher/SENCO
