Dear Families,

Thank you for your amazing support during World Book Week, there was a fantastic buzz in school.

Well done to the 20 parents/carers who read to their child's class - the children really loved hearing you read to them! We had some amazing 'Extreme Readers' too, a big congratulations to the winners. With the commission earned on Book Fair sales, we purchased 61 books for the school.

The success of these events helps to build the profile of reading in school, which is going from strength to strength. For example, the children have made good progress with their decoding, prosody and comprehension skills in their reading practice lessons. Please continue to support them at home using Big Cat Online.

Further support which you may find useful is available on the links below. The first session explores practical tips for parents on how to help your child to foster a love of reading. The second session helps you with grammar. Both courses are free.

[Raising a Reader: Top Tips for Parents to Foster a Love of Reading: Free Training - Dandelion Learning](#)

[Free Online Training: Helping Parents with Home Learning. Getting to Grips with Grammar! - Dandelion Learning](#)

If you need help or advice on reading with your child, please speak to your class teacher in the first instance.

Yours sincerely,

Mrs K Spencer
English Lead
