

# How are terrorist organisations expanding their network online?

**JOIN US  
FOR FREE  
LUNCH!**

## Would you like to know how people are becoming vulnerable to online extremist influences?

This session will help parents, communities and professionals understand issues relating to online extremism. Along with this, the event will include a launch of our **FREE** toolkit that will provide guidance and support.

### PLUS

- Meet specialist trainers
- Network with community figures and local councillors
- Learn about issues relating to online safety
- Explore case studies
- Debate questions
