Dear Mole & Owl Parents,

We would like to invite you to our Maths workshop on **Monday 22nd January**. This workshop will take place in the classroom at **9am-10am**. You will be able to watch a 'Mastering Number' carpet session and then work with your child on a range of practical maths activities in the classroom.

This workshop will be an opportunity for you to find out about how your child is taught maths at school and the different activities they need to do to develop their understanding of maths.

Yours sincerely

Miss B. Macdonald

Please return your slip to your class teacher by Wednesday 17th January.
