## Inclusion Quality Mark Inclusive School

Dear Families,

We would like to share our fantastic news! In December 2023, we applied to be assessed as an Inclusive School. We submitted relevant evidence and were visited on 19<sup>th</sup> December by an external assessor, who spent the day getting to know our school. We have recently been notified that we have been successful in achieving the Inclusive School Quality Mark.

Inclusion Quality Mark has been assessing and recognising schools for their hard work on making inclusion matter since 2004. This award recognises the ongoing commitment by schools to provide the very best education for all children irrespective of differences. An inclusive school gives all pupils regardless of their age, gender, ethnicity, achievements or background the equal opportunities to succeed. In return Inclusion Quality Mark provides schools with a nationally recognised framework to recognise the efforts they are making to be inclusive.
